

# Matéo GUIDI

Video Game Developer aspiring

Looking for an Internship in Computer Science in Japan taking place in 2025.

## Education

### COLLEGE

IUT INFORMATIQUE DE BORDEAUX

2023-NOW

Currently in college for my Bachelor in the IUT of Bordeaux (Gradignan). Working in programming, in laws, in communication, in maths. Learnt to master code language like Java, Python, HTML, CSS, JavaScript, C, C#, SQL... to develop applications, websites and solutions.

### BACCALAUREATE

LYCÉE POLYVALENT DE LA MER

2020-2023

Obtained the Baccalaureate (equivalent to a High School Diploma) after 3 years of study.

## Experience

### Temporary Worker

PROMAN (Gujan-Mestras)

July-August 2024

I worked two months in multiple companies to increase my work experience. During this two months, I worked in a supermarket, in materials handling and in a parking. This period helped me to integrate the work routine, the physical work efforts and the sociability between other employees.

### Middle school's Internship

ADPC (Gujan-Mestras)

December 2019

I worked one week in a company dedicated in electronic device repairing for my middle school internship. During this week, I repaired some computers, smartphones, TV and watches. I have learnt a lot of things about the repair process, the group work and the work routine.
